

Christmas Greetings

from your Churches

St John the Baptist, Trinity Methodist
and St Peter's Stonnall

What are you hoping for this Christmas? Peace on earth? Improved health? A fresh start for 2018? There's still something magical about the season – whether it's children's faces as the decorations go up, or the prospect of parties, family get-togethers and fun. At the heart of Christmas is the story of Jesus, celebrated by millions around the world each year. Christians believe his birth is God's gift of hope to a world in desperate need of love, forgiveness and a better way of living. Why not come and celebrate this hope with us: we'd love to welcome you to one of our services. Our prayer is that you meet Jesus himself and find real hope for the future.

May we wish you a peaceful Christmas
